House Of Hallways Go Radio House of Hallways chords - Go Radio Capo 5 Intro : Am G F x2 Αm G And as it gets dark in this house of hallways Am G F And no corridor leads to the stairs Am G With still wet black paint on all the windows Am G F We got no clocks cause time don t care here Am G C So tell me your name young noble stranger Am G С And tell me just what we re doing here Am G Have you painted walls with all the answers Dm Have you hidden doors with all our fears C G What he said is the soul s rock hard but the heart s trapped underneath Am And the weight of it all gets enough just to crush the best out of you and me Am C Am G F But I swear that there s someone who cares here enough to set us free Am And if the world don t turn just enough to bring her honest Then I guess we re better off forgotten Am G F Am G F The walls stay too thin in this house of hallways Am G They let through the echoes and the stares Am And they 11 bleed bright red with scribbled riddles Am G \mathbf{F} Scratched out of their panels by angered air G C Am

Cause God knows I ve made all my own choices G Am And if I drown alone it s cause I choose Am G C To spend my time drinking in the stairwells Dm G When we ve both got way too much to prove C G Cause the soul s rock hard but the heart s trapped underneath Am G And the weight of it all gets enough just to crush the best out of you and me Am C Am G \mathbf{F} But I swear that there s someone who cares here enough to set us free Am G And if the world don t turn just enough to bring her honest Then I guess we re better off forgotten

Am G F x2
