Go Radio

**G** **A** **Bm**  
The butterflies come back to me  
**G** **A** **Bm**  
With peace of mind and broken wings

**Bm** **G-A**  
We live and learn to let go

**D** **A**  
So tell me, tell me what your eyes see  
**Bm**  
When they stare right through me  
**G**  
Can they see my heartbeat  
**Bm**  
Tell me why there ainâ€™t  
**D**  
Canâ€™t wash away the pain  
**G**  
Canâ€™t take away the pain to make you see again  
**A**  
Coz all I want to be is anything
