Lucky Street Chords
Artist: Go Radio

Chords for a great song that s a blast to play. This is my first tab ever, so please rate and leave comments for any suggestions! I d love some feedback!

Tuning: Standard

Intro: **C F C F**

C (Hit chords once) **F**
And I watched the Atlantic Ocean rise to meet New York
C **F**
And everyone involved got way too scared that life was way too short
Dm **F** **G** **C** (light strum)
And we all sang songs about things we d take back if given the chance,
F
Again

C **F**
And I d never seen the sky a sadder shade of gray
C **F**
And I thought about the words I told you and others I forgot to say
Dm **F**
So just tell me that you ll hold my hand
Dm **F** **G**
We ll stand together here in New York sand

C **G/B**
Cause we re all just chasing red balloons as our sky falls to the ground
Bb **F** **G**
And the ocean rises up and you refuse to make a sound
C **G/B**
And everybody falls and then sways as if to beats
Bb **F** **G** **C** **F C F**
Except for you and me, we ve got promises to keep here on Lucky Street

C (palm mute) **F**
So many faces that I d hope to soon forget
C **F**

They re all just pushing and kicking and screaming in a panicked mournful fit
Everyone s fighting for just north of here
But you re just south and baby I m so scared

Cause we re all just chasing red balloons as our sky falls to the ground
And the ocean rises up and you refuse to make a sound
And everybody falls and then sways as if to beats
Except for you and me, we ve got promises to keep here on Lucky Street

Cause we re all just chasing red balloons as our sky falls to the ground
And the ocean rises up, the ocean rises up

Cause we re all just chasing red balloons as our sky falls to the ground
And the ocean rises up and you refuse to make a sound
And everybody falls and then sways as if to beats
Except for you and me, we ve got promises to keep here on Lucky Street

End: C
