

They re all just pushing and kicking and screaming in a panicked mournful fit

**Dm**

**F**

Everyone s fighting for just north of here

**Dm**

**F** (open up) **G**

But you re just south and baby I m so scared

**C**

**G/B**

Cause we re all just chasing red balloons as our sky falls to the ground

**Bb**

**F**

**G**

And the ocean rises up and you refuse to make a sound

**C**

**G/B**

And everybody falls and then sways as if to beats

**Bb**

**F**

**G**

**C**

**F C F**

Except for you and me, we ve got promises to keep here on Lucky Street

**C** (hit once)

**G/B**

Cause we re all just chasing red balloons as our sky falls to the ground

**Bb**

**F**

And the ocean rises up, the ocean rises up

**C**

**G/B**

Cause we re all just chasing red balloons as our sky falls to the ground

**Bb**

**F**

**G** (strum)

And the ocean rises up and you refuse to make a sound

**C**

**G/B**

And everybody falls and then sways as if to beats

**Bb**

**F**

**G**

**C**

**F C F**

Except for you and me, we ve got promises to keep here on Lucky Street

End: **C**
