

Over Me
Go Radio

Intro: D-G-Bm-A

D G Bm A

It s three o clock and I m still underneath

D G Bm A

Every cloud over me

D G Bm A

And every face that I pass on the street

D G A

Says you will be loved without me

And then you say

D G

Itâ€™s hard to love when I m the one left standing

Bm A

Hard to smile without a change of pace

D G Bm A

I just lost myself in the days

D G

Itâ€™s hard to miss what I canâ€™t hold on to

Bm A

And try to keep what I can t embrace

D G A

It don t leave much left for the space

G D

Now all the hope and all the fear

Bm A

And everything we built this year

G D

Is breaking down around us now

Bm A

And falling with your perfect tears

G D

If love could lift us over everything

Bm A

G-D-Bm-A

All we d need s a set of wings

D G Bm A

I use to know every crease in our sheets

D G Bm A

And how you d feel underneath

D G Bm A

And every sound that you d make in your sleep

D G A

So who s this stranger here beside me

And then she says..

D **G**
I know you want to go but you just can't blame me

Bm **A**
I m the only one here by myself

D **G** **Bm** **A**
I m the one that put my life on the shelf

D **G**
I ll never understand why you can t be with me

Bm **A**
You never slow down never save yourself

D **G**
Tell me was it worth it

A
Tell me it helped

G **D**
Now all the hope and all the fear

Bm **A**
And everything we built this year

G **D**
Is breaking down around us now

Bm **A**
And falling with your perfect tears

G **D**
Now all the hope and all the fear

Bm **A**
And everything we built this year

G **D**
Is breaking down around us now

Bm **A**
And falling with your perfect tears

G **D**
If love could lift us over everything

Bm **A**
All we d need s a set of wings

G **D** **Bm**
If love could lift us over

A
All we d need s a set of wings

G **D** **Bm** **A**
It s three o clock and I m still underneath
