

Things I Dont See  
Go Radio

Intro: **F**

**F**  
You find the color in things I don t see  
**F**  
And you found a way to make believe  
**Dm** **Bb-C** **F**  
That I, I don t have to walk this road alone  
  
**F**  
And patience I can lack to live and learn is what I need  
**F** **Dm**  
A stubborn man is blinded but pride she said to me  
**Bb-C** **F**  
I might just be on to something now

**Bb** **Dm** **C**  
And maybe your minds made up to right the wrongs today  
**Bb** **Dm** **C**  
And maybe you ll write me off and walk your fears away

**Bb-Dm**  
And if you  
**F**  
Wait a little longer  
**C**  
I ll meet you there come  
**Bb-Dm** **C**  
June at the corner of July  
**Bb-Dm**  
And its true  
  
**F** **C**  
It gets a little colder when you re not here  
**Bb** **Dm** **C**  
Cause I am going to miss you baby tonight  
**F**  
I ll miss you baby tonight
