

I Want To Hear It From You Intro
Go West

This was the single from the second album Dancing on the couch thought it had a cool intro so hear it is.

```
e|-----|
B|-----|
G|-----|
D|---1--1-1--3--1--0-----|
A|-----|
E|--1-1--1-----|x4
```

how easy is that and quite catchy to. This riff is also played several times later in track. Hope this was helpful
