Go!  
Alright!

Verse 1:

**F#**                    **D**  
 We walk it straight and narrow  
**E**                    **B**  
 We take this path straight to hell  
**F#**                    **D**  
 We want a quick solution  
**E**                    **B**  
 We put ourselves inside a pill  
**F#**                    **D**                    **E**  
 Damnation, salvation can t  
                   **B**  
 see a difference anyway  
**F#**                    **D**                    **E**  
 We get so medicated that  
                   **B**  
 we don t even care

Chorus 1:

**D**                                    **F#**                    **B**  
 We ve got to be put to rest  
**D**                                    **F#**                    **B**                    **A**  
 After we re born to death  
**F#**                    **A** **E**                                    **G**  
 You see I just met you  
**D**  
 And now I m trying to forget you

Interlude: **F#--D--E--B--**

Verse 2:

**F#**                    **D**  
 I get so disconnected  
**E**                    **B**  
 I lose my love everyday  
**F#**                    **D**  
 I lose it on the street and  
**E**                    **B**  
 Freak out well and I  
 don t know what to say  
**F#**  
 I don t know I don t  
**D**  
 know what to say  
**E**  
 I don t know  
                   **B**  
 where to begin  
                   **F#**                    **D**                    **E**  
 I know I don t belong  
 (out of the law)

D                                  F#                  B  
We ve got to be put to rest

D                                  F#                  B  
Everyone s born too death

D                                  F#                  B  
Gravity makes a sound

D  
Pills mean

F#                    A E                    G  
so get ill    get infected  
D  
No sweat just give  
us injections  
F#                    A E                    G  
You feel    sentimental  
D  
Deleted memory  
nothing special  
F#                    A E                    G  
You see    I just met you  
D  
And now I m trying  
to forget you  
F#                    A  
Fuck you I m  
E                    G  
temperamental  
D  
Self defense  
F                    F#(hold)  
is fundamental

[illegible]

We fight to feel, we fight!
