(Dm Bb F G)

i m all alone this is a holiday
some bloody holiday
my friends have gone away

(Dm Bb F G)

they re of the temp-or-ary sort i think
i will be better without
as long as you let me out

(Bb F A Dm)

to taste the air beside the river
i pick the soundtrack with immaculate care

(Bb F A A7)

such a lot rests upon it
my life upon a song
you don t know how much i need
musician, please take heed

(Dm Bb F G)

i thought i might just write a letter
anything to stay away
from books and lessons today

(Dm Bb F G)

besides, it s part of my induction
into the literate world
i am a literate girl

(Bb F A Dm)

i string the words together softly

i lay my love upon you with each line

(Bb F A A7)

a gift of improvising
removes me from revising
i made a daisy chain from
phrase, verse, and punctuation

(D A Gm Bm)

ill kick this mood off with a change of scene
i bought a leotard i m going to the gym

(G D A Am G A)

i couldn t get away with wearing it all summer
but i ve lost a lot of weight
i think it s down to leaving meat
out of my diet as a rule
i wont buy it cause it s cruel

(Dm Bb F G)

and if the nightttime threatens me with pain
i will give into lust
i will do what i must

(Dm Bb F G)

i ve got a number of a girl i know
who gets hallucinogens from a pair of hooligans

(Bb F A Dm)

ill take a dose i don t mind trying
she lets me stay there while i leave the ground

(Bb F A A7)

i slow go off beside her
think that i ll stay till morning
she s got me started yawning
