

Hollow  
Godsmack

fade into intro **Em**, **C**, **D**, **Em** (Strumming on **Em** U-U-U-U-D, single hits on **C** and **D**)

**Em**, **C**, **D**, **Em** (x5)

**Em** **C D Em**  
One more step and i could fall away  
**C D Em**  
If i happened would it matter?  
**C D C**  
And I can t tell if i should go or stay  
**C D Em**  
Same old picture feels so hollow  
**C D Em**  
Another page I turn in shame  
**C D C**  
And my decisions brought me to my knees  
**C D Em**  
I needed someone to blame

**A G F**  
I feel so hollow  
**A G F**  
I feel so hollow  
**G F A** (stop)  
Time to do what s best for me i believe i can change

**Em C D Em** (x4)

**C D Em**  
Once upon a time in broken dreams  
**C D Em**  
Reflection s that I can t face  
**C D C**  
So hold your breathe and make a wish for me  
**C D Em**  
Take me to a better place  
**C D Em**  
Time always seems to be passing by  
**C D Em**  
It never wait for me  
**C D C**  
If I could do it all more time  
I wouldn t change a thing

**A G F**

I feel so hollow (feel so hollow) (x4)

**G** **F** **A** (stop)

Time do do what best for me for I believe I can change

**Em C D Em** til fade
