

60 Revolutions
Gogol Bordello

It really bums me out that there are no really good tabs of this amazing song by this band. Here's the full guitar parts, tabbed by ear by John Ox:

Intro

```

e |-----|
B |-----|
G |-14---17-14-13---16---13-13-16-13-14-----14-14-17-14-13-16---|
D |-----14-----|
A |-----|
E |-----|

```

Intro Chords (Listen for the strumming pattern, pretty simple)

```

e |-----|
B |-----|
G | -2-----2-----2-----|
D | -2-----2-----2-----2-----2-----2-----|
A | -0-----2-----2-----0-----0-----2-----|
E |-----0-----0-----0-----|

```

And then...

Accordion (Transcribed for Guitar)

```

e |-----|
B |-----12-13-12---|
G |-----12-13-14-13-14-----14-|
D | -14-13-----|
A |-----|
E |-----|

```

```

A5           E5           E5
Sixty revolutions per minute
           A5
This is my regular speed
A5           E5           E5
So how do you want me to live with it?

```

How do you want me to live with it?

Chorus:

```

A5           E5
Without ringing all alarms

```

E5 A5
 Without overthrowing czars
 A5 E5
 Without emptying the bars
 E5
 Without screwing with your charts

Then another verse, then the bridge

```
e |-----|
B |-----|
G | -14-12---7-9---10-9-7-4-5---|
D |-----|
A | -12-10---5-7---8-7-5-2-3----|
E |-----|
```

Then more stuff. Throw in the intro riff liberally. Bass follows the chords, which pretty constant through the whole song.

If you want to add a solo, use this scale.

```
e |-----5-|
B |-----6-9---|
G |-----5-7-9-----|
D |-----6-7-9-----|
A |-----5-7-8-----|
E | -5-7-8-----|
```

That's about it.
