Every time we break up  
Just to hit a higher note  
Every time we make up

And you know that I ll pick up  
Every time you call  
Just to thank you one more time

So you know I will survive

Just don t stab me in the back with a cortisol

Now forever reunite - alcohol  
Now you teach me how to rhyme - alcohol  
Screw a light bulb in my head - alcohol  
may that ceremony be happy or sad

And you know that I ll pick up  
Every time you call  
Just to thank you one more time  
For everything you ve done

And you know that I ll pick up  
Every time you call
