Intro: (Dm Gm C Dm)

```
Dm              Gm              C
I never was unruled poseidon
                    Dm
My name, it was so often forgotten
                Gm         C
But I m inside of every tree
                Dm
I m inside of every atom
                    Gm
Sky and earth, united by me
     C          Dm
I m unity, I m gravity
         Gm
I m a warrior turned dove

C   N.C.            Dm Gm  C
I m hieroglyph of love, love
Riff 2         Dm  Gm   C  Dm
Hieroglyph of love, love
```

```
(Dm Gm C Dm)
If I m gone before you cry
It s illusion, all illusions must die
I simply am and will always be
Waiting for you to discover me
I m unity, I m gravity
I m wind of eternity
I m a warrior turned dove

C   N.C.            Dm Gm  C
I m hieroglyph of love, love
Riff 2         Dm  Gm   C  Dm
```

Hieroglyph of love, love

(Dm Gm C Dm)
Passion can be quiet, it can be still
Waiting to confront of something real
Against the lows I m still here
I m always with you, I m always near
Sky and earth, united by me
I m unity, I m gravity
I m a warrior turned dove

C   N.C.   Dm Gm C
I m hieroglyph of love, love
