```

Intro: (Ebm G#m C# Ebm)

```
Ebm          G#m          C#
I never was unruléd poseidon
          Ebm
My name, it was so often forgotten
          G#m          C#
But I m inside of every tree
          Ebm
I m inside of every atom
          G#m
Sky and earth, united by me
          C#          Ebm
I m unity, I m gravity
          G#m
I m a warrior turned dove
```

```
C#   N.C.          Ebm G#m  C#
I m hieroglyph of love, love
Riff 2          Ebm  G#m  C#  Ebm
Hieroglyph of love, love
```

(Ebm G#m C# Ebm)

If I m gone before you cry
It s illusion, all illusions must die
I simply am and will always be
Waiting for you to discover me
I m unity, I m gravity
I m wind of eternity
I m a warrior turned dove

```
C#   N.C.          Ebm G#m  C#
I m hieroglyph of love, love
Riff 2          Ebm  G#m  C#  Ebm
```

Hieroglyph of love, love

(Ebm G#m C# Ebm)

Passion can be quiet, it can be still
Waiting to confront of something real
Against the lows I m still here
I m always with you, I m always near
Sky and earth, united by me
I m unity, I m gravity
I m a warrior turned dove
