Intro: (Ebm G#m C# Ebm)

```
Ebm              G#m              C#
I never was unruled poseidon
                      Ebm
My name, it was so often forgotten
                   G#m         C#
But I m inside of every tree
               Ebm
I m inside of every atom
                    G#m
Sky and earth, united by me
     C#           Ebm
I m unity, I m gravity
         G#m
I m a warrior turned dove

C#   N.C.            Ebm G#m  C#
I m hieroglyph of love, love
Riff 2        Ebm  G#m   C#   Ebm
Hieroglyph of love, love
```

```
(Ebm G#m C# Ebm)
If I m gone before you cry
It s illusion, all illusions must die
I simply am and will always be
Waiting for you to discover me
I m unity, I m gravity
I m wind of eternity
I m a warrior turned dove

C#   N.C.            Ebm G#m  C#
I m hieroglyph of love, love
Riff 2        Ebm  G#m   C#   Ebm
```

Hieroglyph of love, love

(Ebm G#m C# Ebm)
Passion can be quiet, it can be still
Waiting to confront of something real
Against the lows I m still here
I m always with you, I m always near
Sky and earth, united by me
I m unity, I m gravity
I m a warrior turned dove

C#   N.C.   Ebm G#m C#
I m hieroglyph of love, love
Riff 2   Ebm G#m   C#   Ebm
Hieroglyph of love, love
