```

Intro: (F#m Bm E F#m)

```
F#m          Bm          E
I never was unruléd poseidon
                F#m
My name, it was so often forgotten
                Bm          E
But I m inside of every tree
                F#m
I m inside of every atom
                Bm
Sky and earth, united by me
    E          F#m
I m unity, I m gravity
                Bm
I m a warrior turned dove
```

```
E   N.C.          F#m Bm   E
I m hieroglyph of love, love
Riff 2          F#m   Bm   E   F#m
Hieroglyph of love, love
```

(F#m Bm E F#m)

```
If I m gone before you cry
It s illusion, all illusions must die
I simply am and will always be
Waiting for you to discover me
I m unity, I m gravity
I m wind of eternity
I m a warrior turned dove
```

```
E   N.C.          F#m Bm   E
I m hieroglyph of love, love
Riff 2          F#m   Bm   E   F#m
```

Hieroglyph of love, love

(F#m Bm E F#m)

Passion can be quiet, it can be still  
Waiting to confront of something real  
Against the lows I m still here  
I m always with you, I m always near  
Sky and earth, united by me  
I m unity, I m gravity  
I m a warrior turned dove

E N.C. F#m Bm E

I m hieroglyph of love, love

Riff 2 F#m Bm E F#m

Hieroglyph of love, love
