Illumination
Gogol Bordello

(intro 2x) **Gm**   **Cm**   **D**

(cada verso ele muda de ritimo de pausado pra constante)
(inicio ele começa no final do 2º intro)

(verse 1)
```
 D                Gm
Don t believe them for a moment
        Cm          D
For a second  do not believe  my friend
 G                            Cm
When you are down  them are not coming
 D
With a helping hand
 Gm
Of course this is no us and them
 Cm                 D
But them they do not think the same
 Gm
 Cm                 D
It s them who do not think the same
 Gm
 Cm                 D
It s them who do not think
```

(verse 2)
```
 Gm                  Cm        D
They never step on spiritual path
 Gm                        Cm              D
They paint their faces so differently from ours
 Gm                       Cm
And if you listen closely
 D
That war it never stops
 Gm
 Cm     D
   that war it never stops
 Gm
 Cm     D
   that war
```

(verse 2)
```
 Gm
Be them new romans
 Cm            D
   ah...don t envy them my friend
 Gm
```

```
Be their lives longer
 Cm                D
   oh...their longer lives are spent
 Gm
Without a love or faithful friend
 Cm            D
All those things they have to rent
 Gm
 Cm        D
Yeah...all those things they have to rent
 Gm
 Cm        D
All those things

(verse 3)
 Gm
But we who see our destiny
 Cm                    D
In sound of this same old punk song
 Gm                  Cm          D
Let rest originality...for sake of passing it around
 Gm        Cm              D
Illuminating...realization number one:
 Gm                          Cm
You are the only light there is
    D
For yourself my friend
 Gm                          Cm
You are the only light there is
     D
For yourself my friend

(solo 2x)  Gm Cm D

(verse 4)
 Gm                    Cm            D
There ll be no saviors... any soon coming down
 Gm
And anyway illuminations
 Cm            D
 never come from the crowned
 Gm        Cm              D
Illuminating...realization number one:
 Gm                          Cm
You are the only light there is
   D
For yourself my friend
 Gm                          Cm
You are the only light there is
     D
For yourself my friend

(ending/verse 5)
```

```
 Gm
But we who see our destiny
 Cm                      D
In sound of this same old punk song
 Gm                      Cm           D
Let rest originality...for sake of passing it around
 Gm          Cm              D
Illuminating...realization number one:
 Gm                                  Cm
You are the only light there is
    D
For yourself my friend
 Gm                                  Cm
You are the only light there is
      D
For yourself my friend
```
