Verse

B5            A5            E5            A5                            B5  
You look real good in your blue jeans and a pink sweater

B5            A5            A5            Em            Em                            Em  
But in a cocktail dress I guess you look even better

B5            A5                            E5            A5                            B5  
I got the photographs and the memories lined up on the table

B5            A5                            A5            A5  
But you re gone with the wind and I wish I was dead

Em            Em  
Just like Clark Gable....

Bridge

A5            A5            A5                            A5  
The sun goes down for a lonely fool

E5    B5  
Like darkness in the temple of doom

F#m    F#m  
I need a guiding light. Tell me...

A5  
What am I supposed to do?

Chorus

B5 D5

E5 B5

B5 D5

E5 B5

Em F#m  
Am I blind or am I right?

Em F#m  
Pour your light into my room

Em F#m Am  
Make my baby find her way back home

(Intro riff)

Verse

B5 A5  
Put your red lips on my day dream

A5 B5  
Imagine we re together

B5 A5  
In the back seat of my car

A5 Em  
On the shiny white leather..

B5 A5 E5 A5 B5  
I got the photographs and the memories lined up on the table

B5 A5 A5 A5  
But you re gone with the wind and I wish I was dead
