

I Cant Sleep Without You
Golden Earring

Golden Earring - I can t sleep without you.

Listen carefully to the rythem of the guitar because this is the hardest thing of the hole song, you can play in open chords but I prefer not to because the chord change to the chords you have to play in BarrÃ© are easier to preform. Also when you play the Bm B11 Bm part you just sort of hammer on the 2th,3th and 4th finger. The rest is pretty much straigt forward.
