Verse 2:

I can t remember I can t forget
I can t see cause my eyes are wet
The bottle s empty and it says: you fool
How many tears do I spill for you
And I could spend all my life
Just sitting here paralyzed
I could spend all my life
Like a thorn or glass in your eyes
And love was the only thing I always felt for you
Bigger than anything baby I d die for you
Now hold me cause I think I m falling like rain
on a Monday morning
(play this 3 times)
And when it rains I m pouring my heart out again
Now hold me cause I think I m falling like rain
on a Monday morning
And when it rains I m pouring my heart out again
My heart out again
