x Em	Am	Em	Am	
Used to be younger,	out on the	hard streets,		
Gettin high on crystal,	drinkin	scotch and smokin	weed,	
G	D	C	x	&(D-D/G-D-Dsus4-D-Dsus4)&
Daddy s wish used to be nothin		less than my command,		
%G	D	C	&	(D-D/G-D-Dsus4-D-Dsus4)&%
Took to a switch to my back,		nailed me to a cross with both hands,		
xEm	Am	Em	Am	x
Momma couldn t give me		the thing a young boy needs,		
Instead of momma sufferin		she was smart enough to leave,		
%G	& D &	C	&	(D-D/G-D-Dsus4-D-Dsus4)&
Spent my life fightin		tryin to stay free,		
From trials and tribulation		and the state penitantly,		

Em
(oh, i know)

legend:

- x ==> pick and strum like intro
- & ==> this is just strummed while playing around with D

%Em Am Em Am
I suppose really lookin cool, just makin both ends meet,
Until that day i saw you walkin , down Blue Angel Street,

G D C &D&
The sweetest lies of lily white, comin from you lips,
You brush away all my pain, with a lazy finger tip!

Em Am Em Am
It moves my heart just watchin , the way you walk so smooth,
you save me from an evil fate, you steal way my blues,

G D C & D &
Lyin here, in your arms, I don t need no more proof,

G D C D ^^^^^^^^^^(strum)
Lyin here, safe and warm, it s just the naked truth!

G D C D
This man loves you, this man loves you,
G D C D %
This man loves you, this man loves you.

x Em Am Em Am
That s the naked truth. It s the naked truth.....

Em Am
Em Am Em Am x
Goin down that graveyard spiral, there was nothin I could do,
Life treated me much harder, ?than me in an ole corkscrew?
