

Everybodys Trying To Be My Villain
Golden Shoulders

Everybody s Trying To Be My Villain, by Golden Shoulders
tabbed by markik

[Verse 1]

C **Am** **G** **F**
Everybody s trying to be my villian
C **Am** **G** **F**
And I was unaware of the vacancy
C **Am**
Some people predict bad news
G **F**
And hope it never happens
C **Am** **G** **F**
And others are content to assume authority

[Chorus]

G **F**
And maybe someday I will not be destitute
G **F**
And I will be kicked by a better brand of boot

[Verse 2]

C **Am** **G** **F**
Everybody s trying to be my villan
C **Am**
The line keeps getting longer
G **F**
And that cannot be good
C **Am**
I guess I should be grateful
G **F**
For all the attention
C **Am**
I guess I should be bitter
G **F**
That I m never understood
C **Am**
I asked them for a hand
G **F**
And they lifted a finger
C **Am**
Due to some concerns
G **F**
About losing their grip
C **Am**
I understood completely
G **F**

And thanked them for the effort

C **Am**

But I m not one for breaking bottles

G **F**

On a sinking ship

[Chorus]

G **F**

And maybe someday I will not be destitute

G **F**

And I will be kicked by a better brand of boot

Everybody is trying
