Friends and Family- Golden Shoulders

Tuning: Standard

Ok, this is my first tab so go easy. It s a fun-sounding and easy song from a great unknown band, so chances are no one sees this anyway. I didn t tab the slide part, still figuring that out. Anyway, this is just the chords. Listen to the song.

Intro:

Hit a B, then hammer on and pull off the 7th and 8th frets on the G string. For the beginning of the vocals (before the drums kick in), you can basically just slide up and down from A to B and back, hitting each chord. For the A-Bb-Bb-B part, it s the same. Listen to the record for timing and whatnot.

B A B A B
All my friends and my family are remarkable people, they are nothing like the
A B A-
creeps in this town.

Bb-Bb-B A B A B
There is time still ahead of me, the last among equals, I am keeping both my
A B A-Bb-Bb-B
ears to the ground.

The slide riff plays over this, but like I said, not yet tabbed.

B A E
There is a feeling I ve been getting
B A E
That I have earned the town and state that I am in
B A E
I cannot leave, my feet will stop me from stepping
B A E
I d kiss the ground but I don t know where it has been

D A E
Oh no, there are reasons but I can t explain

D A E
Well I can but not to you.

D A E
Oh I m getting better at the waiting game

D A E
And I don t wanna lose.

 B A E
We are the products of circumstances

 B A E
And we reflect the sort of people we have known.

 B A E
Whether by blood or by extended olive branches

 B A E
All these people have determined how we ve grown.

 B A B A B
And I said very tactfully there s a mineshaft and a steeple and the otherwise
 A B A-
indifferent middle ground.

Bb-Bb-B A B A B
All my friends and my family are remarkable people, they are nothing like the
A B A-Bb-Bb-B
creeps in this town

Comments-wise, be brutal but not too brutal. This is a band that I just want to see get more recognition, so there you go.
