

Scotch On Ice
Golden Smog

Scotch on ice by Golden Smog

Note: There is a little intro before the chord intro that i did not figure out, nor do I really intend to. There are also a couple of hammer-ons and pull-offs in certain parts of the song after playing the D and A chords. Just listen to the song and you can figure it out.

Intro: **D/F#M/G/A**

D **F#M** **G** **A**
She down on my socks, getting ice for my scotch, never bending my ear,
D
just chillin my beers.

D **F#M** **G** **A**
She doesn't say much, she's cold to the touch, sometimes it s rough,
D
with her handcuffs and stuff.

F **G** **D**
She likes what i got, she takes what i give her.

F **G** **C** **A**
She feels so real, just don t look into her eyes.

D/F#M/G/A

D **F#M** **G** **A**
If I come home late, the love is still great, doesn t follow the trends,
D
but my how she bends.

D **F#M** **G** **A**
She likes it on top, little cream of the crop, and it s getting better.

F **G** **D**
She likes what i got, she takes what i give her.

F **G** **C** **A**
She feels so real, just don t look into her eyes.

D **F#M** **G** **A**
