

Strangers
Golden Smog

G

C F G
Where are you going, I don t mind

C F G
I ll kill my world and I ll kill my time

C F G
So where do I go, what do I see

C F G
See many people coming after me

C F E
So where are you going to, I don t mind

Am F C
If I live too long I m afraid I ll die

Dm C E
So I will follow you wherever you go

Am F C
If your offered hand is still open to me

E Am F
Strangers on this road, we are all

C G C
We are not two, we are one

C F C G

C F G
So youâ€™ve been where I ve just come

C F G
From the land that brings losers home

C F G
So we will share this road we walk

C F G
Mind our mouths and we wear our talk

C		F	E
Til peace we find, tell you what I ll do			
Am		F	C
All the things I own, I will share with you			
Dm		C	E
If I feel tomorrow like I m feeling today			
Am		F	C
We ll take what we want and give the rest away			
E	Am	F	
Strangers on this road, we are all			
C	G	C	
We are not two, we are one			
C F C G			
C	F	G	
Holy man and holy priest			
C		F	G
This smother loud makes me weak in my knees			
C	F	G	
When we get there make your mind			
C	F	G	
Soon I feel you re gonna carry us away			
C	F	E	
In a Promised Land you made us believe			
Am	F	C	
For any man there is so much grief			
Dm	C	E	
And my mind is proud but it aches with rage			
Am	F	C	
If I live too long I m afraid I ll die			
E	Am	F	
Strangers on this road, we are all			
C	G	C	
We are not two, we are one			
E	Am	F	
Strangers on this road, we are all
