Strangers Golden Smog G С Where are you going, I don t mind C G I ll kill my world and I ll kill my time C F G So where do I go, what do I see C F G See many people coming after me F Е So where are you going to, I don t mind C Am If I live too long I m afraid I ll die Е So I will follow you wherever you go C If your offered hand is still open to me

E Am F
Strangers on this road, we are all
C G C

We are not two, we are one

CFCG

C F G So you've been where I ve just come

f C From the land that brings losers home

C F G
So we will share this road we walk

f C f F f G Mind our mouths and we wear our talk

С Е Til peace we find, tell you what I ll do Αm С All the things I own, I will share with you DmC Е If I feel tomorrow like I m feeling today F C Am We ll take what we want and give the rest away Am Strangers on this road, we are all C C We are not two, we are one CFCG G Holy man and holy priest C G This smother loud makes me weak in my knees G When we get there make your mind F G Soon I feel you re gonna carry us away F Ε In a Promised Land you made us believe Am C For any man there is so much grief Dm C Е And my mind is proud but it aches with rage Am C If I live too long I m afraid I ll die Е F Strangers on this road, we are all C C We are not two, we are one Am Strangers on this road, we are all

C G C

We are not two, we are one

C F C G C
