**All Roads Lead Home**  
**Golden State**

This is a GREAT song by Golden State, and i couldn t find the chords so i tabbed it myself :)

CAPO 1

Chords in order are

(330230)-**Cadd9**  
(330023)-**G**  
(330220)-**E7** (i think)  
(2320xx)-**D**

it goes in that order throughout the song. So the first line goes like

**Cadd9**                    **G**                    **E7**                    **D**  
a million tears, a million coats, 1 15, Nowhere to go

and it continues on like that.

o yea, the intro is the same order, just goes on twice.

ENJOY
