

**It Isn't Just Me
Goldfinger**

[Intro]

Em Am D G

[Verse 1]

Em Am

It isn't just me

D G

That wants to be here by your side

Em

And I know

Am

It isn't just me

D G

That wants to be next to your side

F

And I know

[Chorus]

Em

I only want to hold you

F

Is that asking way too much?

Em

I only want to feel you...

[Verse 2]

Em Am

You're so far away

D G

I guess I'll believe that you care

Em

And I think

Am

The things that you said

D G

Keep running around in my head

F

And I know

[Chorus]

Em

I only want to trust you

F

You've lied to me before

Em

Don't know if I can trust you

A

In time I ll know for sure

[Verse 3]

G

It s only been three days

D

A

Since I have seen your face

G

Don t think I can wait three more

D

A

I know that I can t wait

[Verse 4]

Bb

F

The static on the phone

G

C

Makes you so far away

Bb

F

I watch the clock tick by

Em

D

You haven t called today

[Chorus]

Em

Am

It isn t just me (It isn t just me)

D

G

That wants to be here by your side

Em

And I know

Am

D

G

It isn t just me (It isn t just me)

[Verse 6]

A

G

And then I fall apart

D

A

Waiting for your call

G

You don t tell me how you feel

D

A

You leave me in the dark

[Verse 7]

Bb

F

I guess I blame myself

Gm

For staying here with you (ba ba ba uh)

Bb

F

I just want to hear the words

Em

D

Say you need me too

[Outro]
