**G D A**  
It seems the world s falling down around me.

**G D A D**  
My mind is racing faster every minute. What could

**D A**  
running circles but I can t quit.  
**G D A G E D**  
And I m so confused about what to do.  
**G A**  
Sometimes I want to throw it all away.

**Am G**  
Controlling everything in sight, I m feeling weak I don t
