Do you really wanna know how I was dancing on the floor
I was trying to fool you when I m crawling out that door
I m amazed at you the things you say and that you don t do
Why don t you ring

I was feeling lonely feeling blue, feeling like I needed you
Like I m walking up surrounded by me, A&E

How did I get to accident and emergency
All I wanted was you to take me out high

I was feeling lonely feeling blue, feeling like I needed you
Like I hoped you d call and hoped you d see me, A&E
