

Monster Love  
Goldfrapp

A

I never thought I would return  
To be consumed by you again

D

Think you're cured

A

You'd see it come

A7 G D A A11 A

The folly of a monster love like you

A

Grey is good

The light is good

We went down to Hollywood

D

A

You only get one chance in tinsel town

A7

I save the part

G

The sweetest part

D A A11 A

Shook for you

A

G

Everything comes around

A

G

Bringing us back again

D

Here is where we start

D4 D A

And where we end

A

I never thought

I would return to be

Consumed by you again

D

A

A11 A

But I know a papermoon

A7 G D A A11 A

The folly of a monster love like you

A

The pavement smell just after rain

The sun leaps out

It's clear again

D

I told you how

A A11 A

I felt the earth could move

The folly of a

Monster love
