

**Ride a white horse**  
**Goldfrapp**

**E**

Now take me dancing at the disco where you buy your winniebago

**G A E**

I wanna ride on a white horse, I want to ride on a white horse

When the light turns into darkness will he turn up to explain us

I wanna ride on a white horse, I want to ride on a white horse

In the whirlpool we ll go deeper in this world that s getting cheaper

I wanna ride on a white horse, I want to ride on a white horse

I like dancing at the disco, I want blisters, you re my leader

I wanna ride on a white horse, I want to ride on a white horse

**E G A E**

Lend me a whole new world all night, feel life

When is there ever sense to love, this world

Oh I love this feeling, feels like forever

Oh I love this feeling, feels like real leather
