Verse

**C#m** **A**  
We came, we came, we came again  
To stem the tide and point the blame  
Came back for more  
Came back to see what you had in store  
Everyone join the line, everyone  
Yeah

Chorus

**E** **D**  
So you wanna spin the world around?  
**C**  
So you wanna spin the world around?  
**Em** **Am**  
And anybody else, cut em down

**C#m** **Bm**  
So you wanna make catastrophe?  
Won t you send it right over to me  
I got some time  
Everybody running high

The same, the same, the same again  
To steal the time and haunt the graves  
Just because it s there  
Don t mean you see it anywhere  
Maybe it s a trick of the light  
Maybe, yeah

So you wanna spin the world around?  
So you wanna spin the world around?  
And anybody else, cut em down

So you wanna make catastrophe?  
Don t you send it right over to me  
I got some time  
Everybody come alive

Yeah  
So you wanna spin the world around?  
So you wanna spin the world around?  
And anybody else, bring em down

So you wanna make catastrophe?  
Don t you send it right over to me  
I got some time  
Everybody running high

So you wanna spin the world around?  
So you wanna spin the world around?  
And anybody else, cut em down

So you say we haven t turned around?  
So you say we haven t turned around?  
Just everybody else is going wrong  
Going wrong
