Intro: **Abm   E** x2

Abm   E
Yeah I tried so hard to make it
Abm   E
Then I watched it slip away
         Abm
And the hardest thing we face
        E
Is the silence of the space
   Abm   E
At times I feel so empty through the day

C#m   E
You know you get me through the darkness
C#m   E
And you get me through the day

B   B
Calling out for you again
   E5   E5[2]   **E5   E5**[2]
You always guide my way
B   B
Calling out for you, you know
   E5   E5[2]   **E5   E5**[2]
You heal these empty days

         C#m   E5   B
And it s all because you take me as I am
         C#m   E5   B
And it s all because you take me as I am

Abm   E
You know I run to find the answers

```
Abm                            E
What I need to find is you
      Abm
And I don t need anything
       E
No, I don t need anything
          Abm                            E
Because I know you always take me as I am

C#m                           E5
You know you get me through the darkness
C#m                           E5
You know you get me through the day

B             B
Calling out for you again
   E5       E5[2]    E5      E5[2]
You always guide my way
B             B
Calling out for you, you know
   E5       E5[2]    E5      E5[2]
You heal these empty days

        C#m               E5            B
And it s all because you take me as I am
        C#m               E5            B
And it s all because you take me as I am

Solo: A, E5, B x2

B             B
Calling out for you again
   E5       E5[2]    E5      E5[2]
You always guide my way
B             B
Calling out for you, you know
   E5       E5[2]    E5      E5[2]
You heal these empty days

        C#m               E5            B
And it s all because you take me as I am
        C#m               E5            B
And it s all because you take me as I am
        C#m               E5
And it s all because you take me as I
C#m             E5             B
All because you take me as I am
