(Riff 1)

Ecstasy is all you need living in the big machine

(Riff 2)

now Oh your so vain

(Riff 1)

Now your world is way to fast nothings real and nothing lasts

(Riff 3)

and I m aware im in love but you dont care

(Riff 1)

Turn your anger into lust I m still here but you dont trust

(Riff 2)

At all and ill be waiting

(Riff 1)

Love and sex and lonliness Take what s yours and leave the rest

(Riff 3)

So I ll survive God it s good to be alive

Chorus

G **D**

I m torn in pieces

Em **D**

I m blind and waiting for you

G **D**

My heart is reeling

Em **D** **G**

I m blind and waiting for you

Verse2

Still love with all your sins

Wher you stop and I begin

And I ll be waiting

Living like a house on fire

What you fear is your desire

It s hard to deal

I still love the way you feel

Now this angry little girl

Drowning in this pretty world

Oh who you run to

Swallow all your bitter pills

That s what makes you beautiful

You re all or not

I don t need what you ain t got

Chorus

I m torn in pieces

I m blind and waiting for you

My heart is reeling

I m blind and waiting for you

I m blind and waiting for you

I m blind and waiting for you
