(Play 4 times)Verse:

(play riff 3 times)

I wish I had a saxophone

I d play the blues til you came home

D

With a little sadness in your eye (verse)

Now that all my time was spent

In the walk that heaven sent

Thinking bout all the nights you criedBridge:

A **D**

Had a certain passion

A **D**

And I had surly dreams

A **D**

A look of vicious actions

C

Don t close your eyes to me Chorus:

(play riff 4 times)

Don t close your eyes to me

Oh don t close your eyes to me

Don t close your eyes to me(verse)

I wish I had a camera lens

To film the things my mind had said

Before they reached my mouth and got all bad (verse)

Looking at the skies of blue

All day long I think of you

Even after all the shit we ve been through (bridge)

Had a certain passion

And I had surly dreams

A look of vicious actions

Don t close your eyes to me (chorus)

Don t close your eyes to me

Please don t close your eyes to me

Don t close your eyes to me

Oh don t close your eyes to me G G
