Lyrics:

(Verse)

I m a fortunate son, of a fortunate son,  
Living large on the wrong side of town.  
Too many friends and the fun never ends,  
Drinkin and hangin around.  
I wanna own the world, I wanna swallow it whole.  
At least I could kick it all down.  
I wanna kick it all down.

(chorus)

Eyes wide open, I can t see.  
Eyes wide open, what you mean.  
Eyes wide open, I can t seem to be.

(berse)

I don t take the bus, and I never walked too far,  
The furthest I got was my own backyard.  
A fist full of cash that somebody else earned,  
They sent me some more when it all got burned.  
I wanna take control, I wanna make it all mine.  
At least I could kick it all down.  
I wanna kick it all down.

(chorus)

Eyes wide open, I can t see.  
Eyes wide open, what you mean.  
Eyes wide open, I can t seem to be
