

Feel The Silence
Goo Goo Dolls

Tuning: standard

Intro and used throughout the whole song except Chorus:

```
e |-----4-----|
B |-----3-----3-----|
G |-----2-----2-----|
D |---0-----|
```

*= use intro

verse 1

*

You lie awake at night
With blue eyes that never cry
All you remember now
Is what you feel
The truth remains
In midnight conversations

Em

I asked for this moment

G

But you turned away

*

Sad like a lonely child
Broken the day you re born
I held the light to you
But I was so vain

Bm G

And you remain

Bm G

A promise unfulfilled

Em

I ask you for more

G

But you push me away

Chorus:

D

And if we feel the silence

G

Holding this all inside us

D

Everything means more now than

G

Words could explain

D
And if we feel the silence
G
Leaving this all behind us
Bm A G
Looking for something more to say

verse 2(use intro or chords)

D
I don t know where I m going
Only know where I ve been
G
But you move through my soul like a hurricane wind
D
We ve been so lost for so long
G
I don t know how to get back again
D
And we re drowning in the water
That flows under this bridge
G
When you re fighting the current
You forget how to live
D G
And I wanted to reach you but I don t know where to begin

Bm G
And you remain
Bm A G
A promise unfulfilled until today

Chorus:

D
And if we feel the silence
G
Holding this all inside us
D
Everything means more now than
G
Words could explain
D
And if we feel the silence
G
Leaving this all behind us
Bm A
When it s gone what will you say
G
How do we hold on
Bm

How do we hold on

G

How do we hold on

Bm

How do we hold on

A D

How do we hold on

*(use intro)

You lie awake at night

* end on D

With blue eyes that never cry
