Look at all the washed out Hippie dreams

(Riff 1)

And it s fallin all around us
Is this some kind of joke they re trying to pull on us?
Fallin all around us
I ll turn my head off for a while

(Verse)

The tabloid generation s lost
Choking on it s fear
Used to be that s all we had to fear

And conscience keeps us quiet while the crooked love to speak
There s knowledge wrapped in blankets on the street.

A visionary coward says that anger can be power
As long as there s a victim on TV

(Riff 1)

And it s fallin all around us
Is this some kind of joke they re trying to pull on us?
Fallin all around us
I ll turn my head off for a while

And my dirty dreams all come alive on my TV

screen

And assasination plots
Show me what I haven t got
Show me what I love, and who I m s posed to be
Show me everything I need

Show it all to me

-----4-----2--
-----4-----2--
-----2-----0--

Show it all to me

(solo)

(Riff 1)

And it s fallin all around us

Is this some kind of joke they re trying to pull on us?
Fallin all around us
I ll turn my head off for a while
