```

Verse 1:

```
Dm                               Am
Clouded rooms full of empty faces
Dm                               Am
Deepest conversation full of life
Dm           F
Another night with all my friends
           Dm           F
The kind you never see again
           Dm           F           Am
I wonder if they ll see through my disguise
```

Pre-Chorus:

```
           G           Am
And I want to say that I can t hold back
           G           G Am F
And it might be wrong, but it s all I have
```

Chorus:

```
           F C           G
Come take me home tonight
           F C G
Come take me home
           F C
All I need is you now
           G
I m lost without you
           F C
A million miles
```

G
But I will find you
Dm Am Dm Am
So take me home

Verse 2:

Dm Am
It s 3 AM and I can t sleep without you
Dm Am
I think I ve found my perfect words to say
Dm F
The satellite transmits my voice
Dm F
But sometimes we don t have a choice
Dm F Am
I wake you up from half a world away

Pre-Chorus:

G Am
And I tried so hard, tried to be so strong
G G Am F
But you see the cracks, my defenses gone

Chorus:

F C G
Come take me home tonight
F C G
Come take me home
F C G
Oh I need you now, lost without you
F C G
A million miles but I will find you
