

Let Love In
Goo Goo Dolls

Bm **D** **A**
You wait, wanting this world

Em
To let you in

Bm
And you stand there

D
A frozen light

G **D**
In dark and empty streets

Bm **D** **A**
You smile hiding behind

Em
A God-given face

Bm
But I know you re so much more

D
Everything they ignore

G **D**
Is all that I need to believe

D
You re the only one I ever believed in

G
The answer that could never be found

Bm **A** **G**
The moment you decided to let love in

D
Now I m banging on the door of an angel

G
The end of fear is where we begin

Bm **A** **G** **Bm**
The moment we decided to let love in

(P.S. The next part is the fun part)
