Intro:

C B A G F E G

C B

If I could walk a straight mile

A G

I could write it down in shorthand

F E

I could show you

G

If you want me to

C B

And if I had an hourglass

A G

I d save the grains of time I spent with you

F E

And that s what I d do

G

But I remember

F E G

You always said it could be great

And I knew it could be

Well there s a way you look at things

That no one needs to know but you

And you shout em with me

Like every time the leaves would fall

You d promise me that they d be back again

And I believed in you

F E G

You always said it could be great

But I hadn t time to waste

F E D

Now it seems that I ve gone too far

C G

As bright as you are

A# F

Don t get burned by your lucky star

C G

Bright as you are

A# F

Don t get burned by your lucky star

Written down in hard-bound books

The way things used to be (?)

I d swear they re all for you

(?)

Mama said shit I don t know what you ll do

As if it s up to you

You always said it could be great

But I hadn t time to waste

Now it seems that I ve gone too far

(The rest till the end is C-G-A#-F)

As bright as you are

Don t get burned by your lucky star

Bright as you are

Don t get burned by your lucky star

Your lucky star will burn out

Your lucky star can turn you around

Your lucky star will burn out

Your lucky star can turn you around

Turn you around

Turn you around

Turn you around

Turn you around

F G C

They re gonna turn you around
