

Postcards From Paradise
Goo Goo Dolls

Here is the tab for the Goo Goo Dolls cover of Postcards from Paradise from their new
Something for the Rest of Us. It s my first tab so bare with me.

Use power chords.

Intro:

A F# E

Verse:

When playing the **E**, play it on the the second fret with your index finger on the
D
and your pinky or ring finger on the G 4th fret.

D E

Chorus:

A F# D E

Verse:

A F# D E (Play this twice then switch back to playing like the last verse.)

D E

Solo: I don t know the solo, for the rhythm I just mainly play the **D** and **E**.

That s basically it for the rest of the song. If you understand this, then you
re fine
the whole thing. Hope this helps.
