-- VERSE 1 --
G
We keep heading in the same direction
Cadd9
You ve become my own reflection
Em
Is that your soul that you re trying to protect
Cadd9
I always hoped that we would intersect, yeah
G
You need time to cope and time to heal
Cadd9
Time to cry if it s what you feel
Em
Oh, life can hurt, when it gets too real
Cadd9
I can hold you up when it s hard to deal

-- BRIDGE 1 --

Em

Alive, alive

Cadd9

Alive is all I wanna feel

Em

Tonight, tonight

D

I need to be where you are

I need to be where you are

-- CHORUS --

G **D**

Hey you, look around

Cadd9

Can you hear that noise, it's a rebel sound

G **D** **Cadd9**

We got nowhere else to go

G

With a word, with a kiss, with a decent song yeah

G

And it gets lonely when you live out loud

Cadd9

When the truth that you seek isn't in this crowd

You better find your voice, better make it loud

We gotta burn that fire, or we'll just burn out
