

**Soldier**

**Goo Goo Dolls**

This is my favorite song off the new album. It s very simple if you use a capo.

Capo 3 (all chords relative to capo position)

Intro: **Dm Bb G2** x2

Verse:

**Dm** **Bb** **G2**  
When you came back I knew you d have a story  
**Dm** **Bb** **G2**  
You need someone to ease the pain of living life  
**Dm** **Bb** **G2**  
You re like a soldier in the fray seeking shelter  
**Dm** **Bb** **G2**  
From all the madness that you ve seen, raining down now

Chorus:

**Bb** **C** **F**  
I know things change, your world has slipped away  
**Bb** **C** **F**  
I know things change, you re living like a  
**Bb** **C** **F**  
Soldier caught in the fray  
**Am** **Bb**  
Don t lose your faith  
**C** **Dm**  
It s not so cold, it s not too late

**Dm Bb G2** x2

Verse:

**Dm** **Bb** **G2**  
When you were naive you were so invincible  
**Dm** **Bb** **G2**

And you laughed at anyone and anything that ever got in your way

**Dm** **Bb** **G2**

But now the mirror shows the change, and you don't see that

**Dm** **Bb** **G2**

You're sinking back into the crowd, an echo faded

Chorus

Bridge:

**Em** **C**

And I never thought I'd see

**Am**

You living on your knees

**F#dim**

A slave to some disease

That holds you captive

**Em** **C**

And you can look inside of me

**Am**

But the answers that you seek

**F#dim**

And everything you need

Is all inside you

Interlude: **Dm C G2** x4

Chorus
