

**Soldier**

**Goo Goo Dolls**

This is my favorite song off the new album. It s very simple if you use a capo.

Capo 3 (all chords relative to capo position)

Intro: **Ebm B G#2** x2

Verse:

<b>Ebm</b>	<b>B</b>	<b>G#2</b>
When you came back I knew you d have a story		
<b>Ebm</b>	<b>B</b>	<b>G#2</b>
You need someone to ease the pain of living life		
<b>Ebm</b>	<b>B</b>	<b>G#2</b>
You re like a soldier in the fray seeking shelter		
<b>Ebm</b>	<b>B</b>	<b>G#2</b>
From all the madness that you ve seen, raining down now		

Chorus:

<b>B</b>	<b>C#</b>	<b>F#</b>
I know things change, your world has slipped away		
<b>B</b>	<b>C#</b>	<b>F#</b>
I know things change, you re living like a		
<b>B</b>	<b>C#</b>	<b>F#</b>
Soldier caught in the fray		
<b>Bbm</b>	<b>B</b>	
Don t lose your faith		
<b>C#</b>	<b>Ebm</b>	
It s not so cold, it s not too late		

**Ebm B G#2** x2

Verse:

<b>Ebm</b>	<b>B</b>	<b>G#2</b>
When you were naive you were so invincible		
<b>Ebm</b>	<b>B</b>	<b>G#2</b>

And you laughed at anyone and anything that ever got in your way

**Ebm**                      **B**                      **G#2**

But now the mirror shows the change, and you don't see that

**Ebm**                      **B**                      **G#2**

You're sinking back into the crowd, an echo faded

Chorus

Bridge:

**Fm**                                      **C#**

And I never thought I'd see

**Bbm**

You living on your knees

**Gdim**

A slave to some disease

That holds you captive

**Fm**                                      **C#**

And you can look inside of me

**Bbm**

But the answers that you seek

**Gdim**

And everything you need

Is all inside you

Interlude: **Ebm** **C#** **G#2** x4

Chorus

Tab by Chris Shupe
