

Soldier

Goo Goo Dolls

This is my favorite song off the new album. It s very simple if you use a capo.

Capo 3 (all chords relative to capo position)

Intro: **F#m D B2** x2

Verse:

F#m **D** **B2**
When you came back I knew you d have a story
F#m **D** **B2**
You need someone to ease the pain of living life
F#m **D** **B2**
You re like a soldier in the fray seeking shelter
F#m **D** **B2**
From all the madness that you ve seen, raining down now

Chorus:

D **E** **A**
I know things change, your world has slipped away
D **E** **A**
I know things change, you re living like a
D **E** **A**
Soldier caught in the fray
C#m **D**
Don t lose your faith
E **F#m**
It s not so cold, it s not too late

F#m D B2 x2

Verse:

F#m **D** **B2**
When you were naive you were so invincible
F#m **D** **B2**

And you laughed at anyone and anything that ever got in your way

F#m **D** **B2**

But now the mirror shows the change, and you don't see that

F#m **D** **B2**

You're sinking back into the crowd, an echo faded

Chorus

Bridge:

G#m **E**

And I never thought I'd see

C#m

You living on your knees

Bbdim

A slave to some disease

That holds you captive

G#m **E**

And you can look inside of me

C#m

But the answers that you seek

Bbdim

And everything you need

Is all inside you

Interlude: **F#m** **E** **B2** x4

Chorus
