Okay, Johnny plays this capoed on the second fret.
So, the chords are relative to the capo...here it is:

E C#m G#m Asus2
I hung your picture on the wall and that s all it is...
E C#m G#m Asus2
I break my fingers to make a call and that s all it is...
E C#m G#m Asus2
I know you re living way out west and I don t think that I confessed
E B Asus2
Everything I feel

E C#m G#m Asus2
You say you got no faith in things that you can t see
E C#m G#m Asus2
Well I m sorry I ain t there with you but you ain t here with me
E B Asus2 E
And I m down in all my fears but I ain t crying no tears....over you

E B Asus2 E
Cause everything s wrong....well it s all right
E B Asus2 E
Cause everything s wrong....well it s all right

E C#m G#m Asus2
You said that this is crazy....you re half a world away
E C#m G#m Asus2
Well I m sitting and I m thinking but I didn t know what to say
E B Asus2 E
So I said something I can t touch I always want way too much.... anyway

E B Asus2 E
Cause everything s wrong....well it s all right
E B Asus2 E
Cause everything s wrong....well it s all right

(BREAK)

Use a E chord form but move it up to different frets
