And not to say in most conversations
But he ll foot the bill in all situations
Cause he pays for everything

```
G#                D#                C#  
Girls don t like boys, girls like cars and money  
G#                D#                C#  
Boys will laugh at girls when they re not funny
```

Paper or plastic,
Don t matter she ll have it
Vacations and shopping sprees these are a few of her favorite things
She ll get what she wants if she s willing to please
His type of girl always comes with a fee
Hey now there s nothing for free

Girls don t like boys, girls like cars and money
Boys will laugh at girls when they re not funny
And these girls like these boys, like these boys like these girls
The girls with the bodies like boys with Ferraris
Girls don t like boys, girls like cars and money

Let s go!

Girls don t like boys, girls like cars and money
Boys will laugh at girls when they re not funny
And these girls like these boys, like these boys like these girls
The girls with the bodies like boys with Ferraris
Girls don t like boys, girls like cars and money

All of these boys, and get all of these girls
Are losing their souls in a material world
All of these boys, and get all of these girls
Are losing their souls in a material world
All of these boys, and get all of these girls
Are losing their souls in a material world
All of these boys, and get all of these girls
Are losing their souls in a material world
