```

In every tear you've ever cried, in every painful last goodbye

Bm **G#/E** **G**
So when the system breaks you down - Just listen to the sound

D **E** **G**
What do I do when it's all been done, when the words have all been sung
G **D**
And I've given up the best of me, Let the music play
E **G**
When I'm hanging by a thread and I've got nothing to give
G
Let the music play, Let the music play

D **D** **Bm** **G**

D **E** **G** **G**
There's no way to explain why life is filled with so much pain
D **E** **G** **G**
But to the flowers that will grow in the places it doesn't rain

Bm **G#/E** **G**
So when the storms just beat you down - Well, listen to the sound

D **E** **G**
What do I do when it's all been done, when the words have all been sung
G **D**
And I've given up the best of me, Let the music play
E **G**
When I'm hanging by a thread and I've got nothing to give
G
Let the music play, Let the music play

D **D** **Bm** **G** **D** **D** **Bm** **G**
Let the music play

(**D** **E** **G**)
Horace sings a distant song - Forgotten words that I once sung
(**D** **E** **G**)
Telling me to just keep holding on

D **E** **G** **G**
I've never been more alone than here I turn and face my darkest fear
D **E** **G** **G**
I just got to keep on keeping on

Bm **G#/E** **G**
And when it all comes crashing down - Listen to the sound

D **E** **G**
What do I do when it's all been done, when the words have all been sung

G **D**
And I've given up the best of me, Let the music play

E **G**
When I'm hanging by a thread and I've got nothing to give

G
Let the music play, Let the music play

D **D** **Bm** **G** **D** **D** **Bm** **G** **D**
 Let the music play Let the music play
